- Your personal attributes and business background should be relevant to the nature of your proposed business in Australia;
- There should be a demonstrated need for you to be in Australia for business purposes;
- You must have adequate funds for your personal support during your stay in Australia; and

Business (Short Stay)

This is an application for a single or multiple entry visa which provides for a stay of up to 3 months on each arrival. As the travel validity date can vary, you should check the travel validity date on your visa label or visa grant letter.

An application for a Business (Short Stay) visa can only be made outside Australia.

Integrity of application

The Department of Immigration and Citizenship (the department) is committed to maintaining the integrity of the visa and citizenship programs. Please be aware that if you provide us with fraudulent documents or claims, this may result in processing delays and possibly your application being refused.

How to apply

Applications for a Business (Short Stay) visa can be made at an Australian Embassy, High Commission or Consulate using this form.

Service Delivery Partners (SDP) provide visa application services in some countries. For more detailed information and to check if an SDP is available in your country, check the department's website www.immi.gov.au/contacts/overseas

Application checklist

With your application you must include:

- if you require a visa label affixed to your passport you must include your passport for processing. However, if you are being evidenced at an alternate immigration overseas mission or you are able to travel label free, please include a 'certified true' copy of your passport biodata and visaed pages with this application. The passport must be valid for at least the duration of your intended visit to Australia;
- your passport or copy of relevant pages as necessary;
- the Visa Application Charge, if applicable;
- you may authorise another person to receive all written communications about your application with the department. To do this, you will need to complete Part G *Options for receiving written communications* and form 956 *Appointment of a migration agent or exempt agent or other authorised recipient*;
- details of how you want your passport returned. The department does **not** recommend return of passports by ordinary mail. Your passport can be returned by:
 - registered mail (please included a passport sized envelope with your address and sufficient postage for registered mail); or
 - ordinary mail (please included a passport sized envelope with your address and sufficient postage); or
 - courier (please check with the office where you wish to lodge your application regarding courier arrangements).

Additional documentation checklist

You should be aware that under the *Migration Act 1958*, decision-makers are not obliged to request additional information from the applicant before making a decision on a visa application. It is therefore recommended that you submit the following documentation with your application:

- evidence that there is a need for you to be in Australia for business purposes eg. a letter from your employer detailing the reasons for your visit and your proposed duties, a letter of invitation from the host organisation in Australia, an itinerary with contact details of the business parties **or** conference registration details;
- evidence that you have adequate funds for your personal support during your stay in Australia eg. bank statements, letter from your financial institution concerning your financial position **or** access to funds;
- evidence that your business background is relevant to the nature of your proposed business in Australia eg. evidence of educational qualifications, evidence of current employment position and your role during the visit, details of any previous contacts with Australian business people or organisations, documentation indicating that the company is an actively operating business (business registration certificate, annual report).

Visa Application Charge

A fee may be payable by each passport holder. If a payment is required, the payment is generally non-refundable and it does not guarantee that your application will be approved.

Fees may be subject to adjustment at any time. Visa Application Charges may be subject to adjustment on 1 July each year. This may increase the cost of a visa.

To check the Visa Application Charge (VAC), see form 990i *Charges* available from the department's website www.immi.gov.au/allforms/990i.htm or check with the nearest office of the department.

Method of payment

In Australia

To make a payment, please pay by credit card, debit card, bank cheque or money order made payable to the Department of Immigration and Citizenship. Debit card and credit card are the preferred methods of payment.

Outside Australia

Before making a payment outside Australia, please check with the Australian Government office where you intend to lodge your application as to what methods of payment and currencies they can accept and to whom the payment should be made payable.

Residential address

You must provide the address of where you intend to live while your application is being dealt with. Failure to give a residential address in your application will result in your application being invalid. A post office box address will not be accepted as your residential address.

Health insurance

Medical treatment in Australia can be very expensive. It is recommended that you take out health insurance for you and your family for the period of your stay in Australia. You will not be covered by Australia's national health scheme, unless you are covered by a reciprocal health care agreement.

If you are 75 years of age or over

In order to satisfy the financial requirements for these visas, you may be asked to provide evidence with your application that you have health insurance to cover your stay in Australia. More information about Australian private health insurance is available from the department's website www.immi.gov.au/visitors/

Vaccinations

If it is your intention to enrol your child in an Australian school or childcare centre (creche or preschool) during your visit to Australia, you are strongly recommended to carry certification of your child's vaccination status. Vaccination is recommended against polio, tetanus, measles, mumps, rubella, diphtheria, pertussis (whooping cough), haemophilus influenzae hypo (Hib), and hepatitis B. Certification may be sought at time of enrolment.

Note: Vaccination against rubella is also recommended for women of child-bearing age.

Who can you include in this application?

You can include in this application any family members who will accompany you on your visits to Australia. Family members include your spouse or de facto partner and dependent children who are unmarried and not in a de facto relationship.

Conditions

- You must answer all questions on this form honestly and completely. False or misleading information may lead to refusal or cancellation of your visa, or penalties while in Australia.
- Although your intended business activities may vary from one visit to another, condition 8112 (which is imposed on all 456 visas) prohibits the visa holder from undertaking any work in Australia that might otherwise be carried out by an Australian citizen or resident. Any work undertaken should be:
 - highly specialised in nature **and** not ongoing; OR
 - an emergency or urgent situation **and** not ongoing; OR
 - in Australia's interest.

To check if any proposed work satisfies the requirements of condition 8112, you should contact the nearest office of the department.

- If you are granted a **Business (Short Stay)** visa, the **8503 – No Further Stay** condition may be applied after an assessment of your application. This condition means that the holder of the visa on which the condition is imposed will not, after entering Australia, be entitled to be granted any other visa¹, while the holder remains in Australia.

Immigration assistance

A person gives immigration assistance to you if he or she uses, or claims to use, his or her knowledge or experience in migration procedure to assist you with your visa application, request for ministerial intervention, cancellation review application, sponsorship or nomination.

In Australia a person may only lawfully give immigration assistance if he or she is a registered migration agent or is exempt from being registered. Only registered migration agents may receive a fee or reward for providing immigration assistance.

If an unregistered person in Australia, who is not exempt from registration, gives you immigration assistance they are committing a criminal offence and may be prosecuted.

Migration agents in Australia

Migration agents in Australia must be registered with the Office of the Migration Agents Registration Authority (Office of the MARA) unless they are exempt from registration.

Migration agents outside Australia

Migration agents who operate outside Australia do not have to be registered. The department may give some overseas agents an ID number. This number does not mean that they are registered.

Note: Some Australian registered migration agents operate overseas.

¹ Except in extremely limited circumstances which are outside your control, or to engage Australia's protection obligation under the 1951 UN conventions relating to the status of refugees.

Migration agent information

A migration agent is someone who can:

- advise you on the visa that may best suit you;
- tell you the documents you need to submit with your application;
- help you fill in the application and submit it; and
- communicate with the department on your behalf.

If you appoint a migration agent, the department will assume that your migration agent will be your authorised recipient, unless you indicate otherwise.

Your migration agent will be the person with whom the department will discuss your application and from whom it will seek further information when required.

You are not required to use a migration agent. However, if you use a migration agent, the department encourages you to use a registered migration agent. Registered agents are bound by the Migration Agents Code of Conduct, which requires them to act professionally in their clients' lawful best interests.

Information on migration agents, including a list of registered migration agents, is available on the Office of the MARA website www.mara.gov.au

You can also access information about migration agents on the department's website www.immi.gov.au

Exempt persons

The following people do not have to be a registered migration agent in order to provide immigration assistance, but they must not charge a fee for their service:

- a close family member (spouse, de facto partner, child, parent, brother or sister);
- a member of parliament or their staff;
- an official whose duties include providing immigration assistance (eg. a Legal Aid provider);
- a member of a diplomatic mission, consular post or international organisation.

Appointing a migration agent/exempt person

To appoint a migration agent/exempt person you should complete Part G *Options for receiving written communications*.

Your migration agent/exempt person should complete form 956 *Advice by a migration agent/exempt person of providing immigration assistance*.

Form 956 is available from the department's website www.immi.gov.au/allforms/

Options for receiving written communications

If you do not appoint a migration agent/exempt person you may still authorise another person, in writing, to receive written communications on your behalf. This person is called the authorised recipient.

Authorised recipient information

All written communication about your application will be sent to your authorised recipient, unless you indicate that you wish to have health and/or character information sent directly to you.

The department will communicate with the most recently appointed authorised recipient as you may only appoint one authorised recipient at any time for a particular application.

You will be taken to have received any documents sent to that person as if they had been sent to you.

To appoint an authorised recipient you should complete:

- Part G *Options for receiving written communications*; and
- form 956A *Appointment or withdrawal of an authorised recipient*.

Note: Migration agents/exempt persons do not need to complete form 956A.

Form 956A is available from the department's website www.immi.gov.au/allforms/

Consent to communicate electronically

The department may use a range of means to communicate with you. However, electronic means such as fax or e-mail will only be used if you indicate your agreement to receiving communication in this way.

To process your application the department may need to communicate with you about sensitive information, for example, health, police checks, financial viability and personal relationships. Electronic communications, unless adequately encrypted, are not secure and may be viewed by others or interfered with.

If you agree to the department communicating with you by electronic means, the details you provide will only be used by the department for the purpose for which you have provided them, unless there is a legal obligation or necessity to use them for another purpose, or you have consented to use for another purpose. They will not be added to any mailing list.

The Australian Government accepts no responsibility for the security or integrity of any information sent to the department over the internet or by other electronic means.

If you authorise another person to receive documents on your behalf and they wish to be contacted electronically, their signature is required on form 956 or 956A to indicate their consent to this form of communication.

Note: Electronic communication is the fastest means of communication available and the department prefers to communicate electronically because this results in faster processing.

About the information you give

The department is authorised to collect information provided on this form under Part 2 of the *Migration Act 1958* 'Control of Arrival and Presence of Non-Citizens'. The information provided will be used by the department for assessing your eligibility for a visa to travel, enter and remain in Australia and for other purposes relating to the administration of the Migration Act, for example, to assist migrants with settling in Australia, to monitor the conduct of migration agents, or for ensuring compliance with the Migration Act.

The information provided might also be disclosed to agencies who are authorised to receive information relating to adoption, border control, business skills, citizenship, education, health assessment, health insurance, health services, law enforcement, payment of pensions and benefits, taxation, superannuation, review of decisions and registration of migration agents.

Relevant information about you will be disclosed to federal, state and territory police to assist in your location and possible detention in the event that you become an unlawful non-citizen. You will become an unlawful non-citizen if your visa ceases (by cancellation for breach of visa condition for example) or expires and you do not hold another visa authorising you to remain in Australia.

The information provided on this form, including any information on your health, will be used to assess your health for an Australian visa and may be disclosed to the relevant Commonwealth, state and territory health agencies and examining doctor(s).

Form 1163i *Health requirement for temporary entry to Australia* provides additional information on Australia's visa health requirements. Form 1163i is available from offices of the department or from the department's website

www.immi.gov.au/allforms/

The collection, access, storage, use and disclosure by the department of the information you provide in the form is governed by the *Privacy Act 1988* and, in particular, by the 11 Information Privacy Principles. The information form 993i *Safeguarding your personal information*, available from offices of the department or from the department's website

www.immi.gov.au/allforms/, gives details of agencies to which your personal information might be disclosed.

The department is authorised under the *Migration Act 1958*, in certain circumstances, to collect a range of personal identifiers including a facial image, fingerprints and a signature from non-citizens, including from visa applicants. The department requires personal identifiers to assist in assessing your identity. The department is authorised to disclose your personal identifiers and information relating to your name and other relevant biographical data to a number of agencies including law enforcement and health agencies and to other agencies who may need to check your identity with this department. Where the department obtains personal identifiers they will become part of your official record with the department.

The department is involved in international information exchanges with a number of countries, including the United Kingdom, the United States of America, Canada and New Zealand. These international information exchanges may involve the sharing of personal identifiers, including facial images and fingerprint data, collected by immigration agencies such as this department. If, as a result of this sharing between countries, there is a match with your personal identifiers, the department will disclose your biographical data, copies of travel and other identity documents or information from such documents, your immigration status and immigration history (which may include any immigration abuse and offences) and any criminal history information relevant to immigration purposes. The purpose of such disclosure would be to help confirm your identity and determine if you have presented to the department and the other agency under the same identity and with similar claims.

For more detailed information you should read information form 1243i *Your personal identifying information*, which is available from the department's website

www.immi.gov.au/allforms/ or from any office of the department or Australian mission overseas.
